**Pletina: | Flange: | Bride :**

Para diámetros  $\geq$  DN 750, fabricación con Pletina "ROS" acoplada. Pletina de conexión no incluida. Consulte la pagina 172 para obtener más información de las pletinas.

For diameters  $\geq$  DN 750, manufacture with loose "ROS" Flange. Connection flange not included. Refer to page 172 for more information about flanges.

Pour diamètres  $\geq$  DN 750, fabrication avec Bride "ROS" folle. Bride de connexion non incluse. Reportez-vous à la page 172 pour plus d'information concernant les brides
